PRESIDENT'S MESSAGE

Thank you for joining us tonight in support of Fr. Tolton Catholic High School and the 359 students who call this community their own.

At Tolton Catholic, we believe that what shapes a young person matters deeply. Our students need an education that challenges their minds, strengthens their faith, builds character, and gives them a place where they are known and encouraged to become who God is calling them to be.

Every day, we see that mission come to life. We see it in classrooms where students are challenged to think deeply and discover their gifts. We see it in prayer, service, competition, performance, friendship, and the countless moments when students learn what it means to belong to something bigger than themselves.

That is the full Tolton Catholic experience, and your generosity helps make it possible.

As we celebrate 16 years of Tolton Catholic, we are grateful for all those who believed in this school from the beginning and for those who continue to invest in its future. Tonight, you are part of that story. Every bid, every gift, and every act of generosity helps ensure our students can continue to grow in Spirit, Heart, Mind, and Body.

Thank you for believing in our students, for sharing in our mission, and for helping us blaze the trail for what comes next.

With gratitude,

Dr. Dan Everett
