

Tolton Alumni Meeting 12/27!

Email Casey Glaude with updated profile!

Newbies need to send in one

If returning members don't send in new one, Casey G. will just use the older one

Picture of questions sent in group chat

(Introductions with those here)

Overview:

Purpose of board is to promote engagement

Not so much fundraising yet

This is mainly introductory meeting

On Tolton Catholic website, board has page, that's where profile is

Events:

Spring semester is next big one

2 or 3 times a year meetings for board, so watch email

Ideas for what our board could do

Retention—alumni either don't care or things changing so they bailed

Encourage alumni coming back

Need to start getting class aware of the alumni board before they graduate

Event with Father Mike; people will show up!!!

Peach Tree? Somewhere off campus for sure

Maybe only Fr. Mike for class by class; hard to communicate if so many people

Invite Coach C?

Have people vote on what staff member they had??

Alumni board will eventually have people from each class and they will plan reunions

Advancement people will plan things now and probably help with finances

Organizing fundraiser for us that gives us more control over where our money comes from and then goes in our scholarship for COLLEGE

They we also get to put our name on something else; spread our name

Get donors back involved in the school? Don't know how but can try

Sponsor event during the school year

Do something around after graduation where we invite old classes and celebrate new class

Get current class' social medias!!

Hand out postcard with photo and prayer; need new little gift to handout and new way to hand it out

Get audience with graduating class and invite them to events; RIGHT BEFORE graduation for them

Pull them out of House or something; sit down and let them know who we are.

Maybe during Baccalaureate practice or graduation practice or something?

Spring Event:

Bonfire

Newman Courtyard even

Football field maybe? But some don't wanna go back on campus

Park across the street from Tolton?

House of an alum is tough; their parents might not be super okay with that; need to probably use public space

Twin Lakes maybe?

Easy to come in and out of

Possible future event: employment fair with students or something about college; let them know they have a networking opportunity with alums

Shakespeare's is always a classic, probably the best place to go

Probably not downtown; south one is biggest

Need to consider parking

Shakespeare's

South

No price for renting the room unless on a Friday and Saturday

Probably a Thursday night

Need to reserve ASAP!!

Check to make sure not during Tolton graduation, and not MU graduation

MU and Tolton graduation both on May 17th; could do May 23rd or 21st or some day after

Could maybe do before graduation? So not dealing with grad parties?

Other places that wouldn't be bad for the future:

Shiloh's

Handout for Tolton graduating seniors?

NOT Baccalaureate. Too crazy.

Best to do some audience with them

T shirt???

Too expensive :(

Snapchat filter?

Postcard cheapest, but might not make it home

Project it and get them to follow the accounts

Lapel pin?

Alumni laptop sticker!!

Needs to be different than the logo

Separates us from being there

Smaller, more simple

Horse? Cross? Shield type of thing? Outline of building?

Casey G. Commissioned to create something fun!

Put these notes somewhere?? On website? Summary of what we talked about? In bylaws; need to look into that

Attendance:

Casey H.

Casey G.

Joe P.

Shelby R.

Megan

Cameron

Serena
